

**pCODR Patient Advocacy Group Conflict of Interest Declarations**

Name of registered patient advocacy group: Lymphoma Foundation Canada  
aka Lymphoma Canada

Name of drug and indication under review: Zydelig (idelalisib) in combination with rituximab  
for the treatment of patients with relapsed CLL

**Conflict of Interest Declarations**

To maintain the objectivity and credibility of the pCODR process, all participants in the pCODR review process must disclose any conflicts of interest. Patient advocacy groups must declare any potential conflicts of interest that may influence or have the appearance of influencing the information submitted. Conflict of interest declaration is requested for transparency – it does not negate or preclude the use of the patient advocacy group input.

Examples of conflicts of interest include, but are not limited to:

- financial support from the pharmaceutical industry e.g., educational or research grants, honoraria, gifts, and salary;
- affiliations or personal or commercial relationships with drug manufacturers or other interest groups.

***Section A: Payment Received***

1. Has this patient advocacy group received any payments over the previous two years from any company or organization that may have direct or indirect interest in the drug under review?

- Yes
- No

If no, please go to Section B

2. What form of payment did this patient advocacy group receive? (Check all that apply.)

- Operating Funds
- Program Funding (e.g., website)
- Royalties             Research/educational grants
- Gifts                     Sponsorship of Events
- Honoraria             Other, please specify: \_\_\_\_\_

3. Please provide the names of companies and organizations and the amounts of the payments in the box below.
